

January 5th, 2022

To our valued distributors,

NOTICE OF PRICE INCREASE

Effective March 1st, 2022

During 2021 we have continued to absorb additional costs in order to offset as much as possible the impact to our customers. Raw material increased costs and the unprecedented increases and constraints in freights have challenged the production of our 4 Seasons solar powered vents.

As a result, effective March 1st, 2022, we must increase the price of our products (approx. 7%). Please check the attached new price list.

We will continue to monitor the situation and advise of any future updates. We sincerely appreciate your support and continued business.

Feel free to reach out via phone or email any time if there are any questions or concerns.

Best regards,

Martin Gorlero
