

To our valued customers,

As you are aware, on June 1<sup>st</sup> 2018 GMS finalized the purchase of WSB Titan Canada. I am excited to say that with the finalization of this transaction focus is being placed on the adaptation of best practices on a North American basis. As a result of this, and as expected, my role within the organization is shifting to a broader range of duties.

Although this change is positive for our macro business, our first priority is and will remain, our day-to-day local business and the servicing of our customers. With this in mind and to ensure we have complete coverage at “ground level”, I am pleased to announce that effective immediately, Greg Holunga, our VP of Sales of Shoemaker Drywall Supplies (“SDS”) will also assume sales responsibility for our “Titan” locations on the Lower Mainland.

Greg has been in his role as VP of Sales for Shoemaker Drywall Supplies for over 11 years, so the inclusion of this new Territory will undoubtedly be a seamless move for him and our team. Jason Bowley will continue in his role of BC Sales Manager and will now report directly to Greg.

Greg’s contact information is as follows.

Cell Phone: 403-968-9493
