Attention: Mr. Steve Conroy

Dear Mr. Conroy,

As this year comes to a close we continue to experience unprecedented challenges in both procurement of raw materials and rising costs on PVC resin and ancillary materials (stabilizers, impact modifiers, colorant, etc.). We have attempted where we can to absorb part of these increases by continuing to reinvest in improving efficiencies' and output. However, we are unable to absorb these increases any longer and are announcing the following price increase.

Effective January 17, 2022, we will be implementing a price increase on the following product categories:

- | | |
|--|----|
| - Vinyl Siding- including Siding, soffit and Accessories | 7% |
| - I-Span Interior Siding | 7% |
| - Perfection Shakes and Shingles | 7% |
| - Plastmo Gutter Line | 7% |
| - Vinyl Shutters | 7% |

Orders received on or after January 17, 2022 will be subject to the new pricing. Orders received through January 14, 2022 with firm specification and shipped through January 24, 2022 will be fulfilled at the current pricing. We reserve the right to limit quantities to previous year historical levels and normal ordering patterns.

We would like to take this opportunity to express our appreciation for your continuing support and wish you health and happiness during this holiday season.

Sincerely,

Wade O'Reilly
Vice President Retail Sales
