Dear Valued Partner,

Please be advised as of **March 1, 2016** we are forced to implement a price increase on Lomanco Venting Products.

All Lomanco products are produced in the USA, and with the declining Canadian Dollar we can no longer sustain our current sell levels.

Please check with your local SDS Account Manager for pricing on any Lomanco Venting Products.

On behalf of Shoemaker Drywall Supplies, I would like to thank you for your continued support. We are proud to service your business needs and greatly appreciate the mutually beneficial relationship between our companies.

Regards,

Sean Ryan
