Price Increase Notice

Dear Client,

We would like to inform you that, due to the sustained increase in energy and raw material costs, we are required to implement a price adjustment across all our products.

This increase will take effect on Friday, May 1st, 2026. Accordingly, all orders shipped on or after this date will be invoiced at the new prices, regardless of the original order date.

The adjustments will be applied as follows:

- Wood fiber panels: 6%
- Soundproofing panels: 6%
- Insulation panels: 6%
- Soundproofing membranes: 3%

A revised price list reflecting these changes will be provided shortly.

We remain at your full disposal should you require any additional information and invite you to contact your MSL representative with any questions.

Thank you for your continued trust and collaboration.

Kind regards,
The MSL Team
