

## NOTICE OF PRICE ADJUSTMENT

---

**Effective March 1st, 2026**

To our valued distributors,

During 2025, Canada Go Green has faced significant increases in manufacturing costs, due to rising costs in raw materials and freight. While we have strived to absorb costs, it has become necessary to implement a **5 to 7%** price adjustment for our 4 SEASONS Solar Powered Vents.

Please see attached our updated price list for your reference.

Should you have any questions or need assistance, please do not hesitate to reach out to your account representative.

Thank you for your understanding and your continued trust in Canada Go Green.

Best regards,

Martin Gorlero  
President
