Dear Valued Partners,

It has been several years since STI's last price increase. We have actively sought efficiencies and improvements in our processes to maintain our pricing despite the rising cost of raw materials, shipping, and employment. However, due to sustained inflationary pressures, a price increase is warranted and will be **effective September 1, 2025**.

STI will increase the prices of all products by up to 10% across the entire line. The prices vary by product group as follows:

Product Category	% Increase		Product Category	% Increase
Accessories	10%		Firestop Sleeves	10%
Cast In Place	3%		Flute Filler, Mineral Wool, Mullion Plugs, Blankets	5%
Caulk, Sealants, Putty	3%		Mortar	5%
Closet, Duct, Wall Gaskets	5%		Plugs, Pillows, Blocks	10%
Collars, Wrap Strips	10%		Putty Pads, Box Inserts	5%
Composite Sheet	10%		Quick Clips	10%
E-Wrap	5%		SpeedFlex Joint Profile, Track Top Gasket	5%
EZPATH	3%		Spray Products	4%

Pricing will be delivered over the next 30 days.

We will continue to strive for excellence in the markets we serve. We appreciate your partnership and your understanding.

Best Regards,

Jeff Wexler
Sr. Vice President of Sales
